Telephone: 630-260-8093

Dear Sir or Madam:

Applicant hereby petitions the Commissioner pursuant to 37 CFR 1.137(b) for revival of the instant application.

The above-identified application became abandoned due to applicant's purported failure to file a timely reply to the Notification of Missing Requirements Under 35 U.S.C. 371 dated July 24, 2006 (the "Notification"). The Notification set a period of reply of two (2) months from the date of the Notification or thirty-two (32) months from the priority date, whichever is later. Accordingly, the date of abandonment of the instant application is September 25, 2006.

Enclosed in this regard is a Credit Card Payment Form in the amount of \$1,540.00 in payment of the petition fee required under 37 CFR 1.17(m).

Also enclosed is a Response to Notification of Missing Requirements Under 35 U.S.C. 371, which is responsive to the Notification, and an additional Credit Card Payment Form in the amount of \$130.00 in payment of the surcharge required under 37 CFR 1.492(h).

Since this utility patent application was filed on or after June 8, 1995, no terminal disclaimer is required.

In further support of this Petition, the undersigned states as follows:

1. The Notification required that applicant submit a Declaration of the inventors executed in accordance with either 37 CFR 1.66 or 37 CFR 1.68.
2. On September 25, 2006 (September 24, 2006 being a Sunday), applicant filed a Response to Notification of Missing Requirements Under 35 U.S.C. 371 (the "Original Response") enclosing a duly executed Declaration and a Credit Card Payment Form in the amount of \$130.00 in payment of the surcharge required under 37 CFR 1.492(h). The Original Response was filed using the "Express Mail Post Office to Addressee" service of the U. S. Postal Service and was accompanied by a Certification of Mailing under 37 CFR 1.10.

3. On April 2, 2007 the Patent Office issued a Notification of Abandonment in this application. The reasons for the abandonment were stated simply as "[m]issing executed declaration."
4. In light of this short statement of the reasons for abandonment, the undersigned assumed that the Patent Office never received the Original Response. Accordingly, on April 26, 2007, applicant filed a Petition to Withdraw Holding of Abandonment (the "Petition"). The Petition was filed pursuant to 37 CFR 1.10(e) on the basis that the Patent Office never received applicant's Original Response. The Petition was accompanied by true and correct copies of the Original Response and its associated "Express Mail" mailing label.
5. On October 24, 2007 the Patent Office issued a Decision on Petition Under 37 CFR 1.10(e) (the "Decision") dismissing the Petition. The Decision noted that 37 CFR 1.10(e) applies only in those situations in which the correspondence at issue was lost *in toto* and concluded that this rule did not apply in the instant case because the Patent Office did receive payment of the \$130.00 surcharge which applicant filed with the Original Response.
6. On October 29, 2007 the undersigned telephoned Attorney Advisor Erin P. Thomson of the PCT Legal Administration, the author of the Decision. Ms. Thomson stated that the PTO's electronic file for the instant application contained an entry for the \$130.00 surcharge payment but otherwise did not contain any record of the Original Response.
7. The undersigned therefore was unaware that the Original Response was not lost *in toto* until October 29, 2007, or at least upon receipt of the Decision shortly after October 24, 2007.

Therefore, the entire delay in filing the enclosed Response to Notification of Missing Requirements Under 35 U.S.C. 371 from its due date until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Accordingly, applicant respectfully requests that the Commissioner grant this petition and revive the instant application.

Respectfully submitted,

Henry C. Query, Jr.
